- LED status indicators

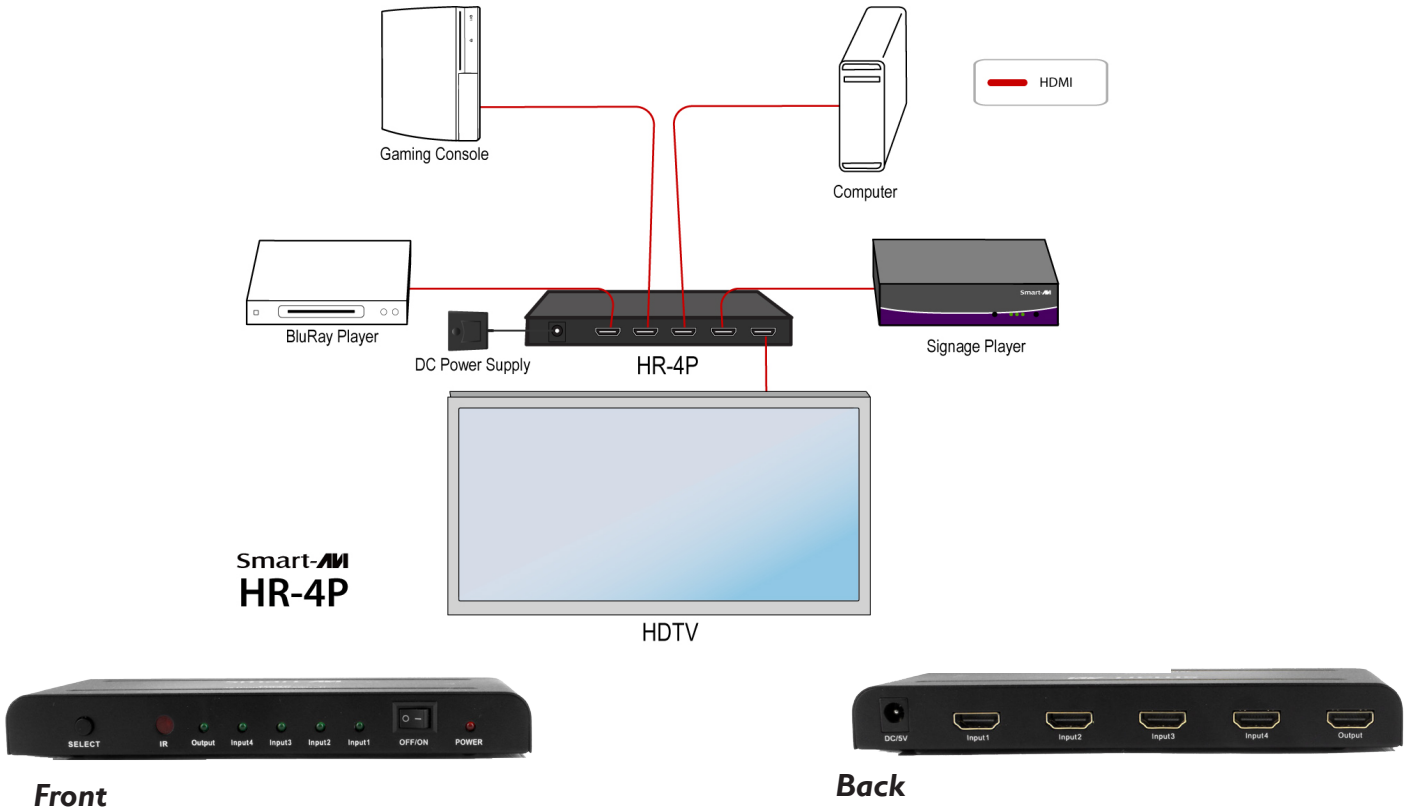

APPLICATIONS

- Retail signage
- Airport displays
- Control rooms
- Security monitors
- Video production
- Corporate communications
- Educational presentations
- Medical supervision
- ... and many more!

WHY SWITCH TO HR-4P?

HR-4P is a powerful 4-port HDMI signal switching solution designed for simple set-up and easy operation. Equipped with four HDMI inputs and one HDTV-ready output, HR-4P switches between source signals at the press of a button. Better yet, HR-4P features infrared remote control support, so users can switch things up from any distance!
